Health Information Exchange Program

Faculty Physicians Knoxville, PLLC participates in the Health Information Exchange (HIE) program to increase collaboration with other healthcare practitioners to provide better care for patients. This program allows for the safe exchange of clinical patient information such as office notes, testing, laboratory results, etc. to help all practitioners provide accurate care/treatment in a timely manner and minimize redundant testing with extra expenses.

I _____ give permission for Faculty Physicians Knoxville, PLLC to participate on my
(First and Last Name)
behalf with the Health Information Exchange (HIE) program including Care Quality and Common Well.
